Special Requests:

Think locally and shop Savenor's!

Savenor's has been working hard developing key relationships with local farmers just for you!

Our New England farmers are passionate about their products and we are thrilled to share this with you. All of our local meats are from sustainable family-owned and operated farms from within 250 miles of our store.

And as always, we still offer the finest USDA Prime Beef and award winning meats from local farms and around the globe.

In addition to our local meats, we are also committed to stocking local cheeses, produce and groceries. We have amazing foods being produced locally and you should know about them!

Check out our local shopping list online and then come in to taste what we are talking about!
